

# LOG IN

Click on the **'login'** button on the top **right-hand corner** of the homepage. Once you click on the button a **popup** will appear directing you to enter your email address and password.

A screenshot of a white login popup window. At the top left is the title "LOG IN" and a close button (X). Below the title are two input fields: "Email address" with a placeholder "Email" and "Password" with a placeholder "Password". To the right of the password field is a link "Forgot password?". Below the fields is a checkbox labeled "Keep me logged in" and a green "LOGIN" button. At the bottom left, there is a link "Don't have an account? Join Us!".

Enter email address and password

Login button

If you are with a host agency you can check to see if your agency has added you as a user to their corporate account by clicking on the 'Forgot password.' Place your email address in the popup. If the system does not recognize the email address it means you have not been added as a user. Please contact your host agency and ask them to add you under their account.
